SUMMARY:

Notification of RFB #0036-06-RS for the Sale of Paseo del Norte Non Right-of-Way Properties, which included the sale of nine unimproved parcels, was published in the Albuquerque Journal on October 27, 2005. Parcel E-16, one of the nine parcels, located the northeast corner of Paseo del Norte and Browning Boulevard NE, North Albuquerque Acres received one bid on November 23, 2005 from Michael and Maria Doughty in the amount of \$121,501 or \$6.38 per square foot. The market value appraisal by Charles Graham Appraisal and Consulting Services, dated May 18, 2005, estimated the value of this parcel to be \$121,000. Upon the Board's approval, the County must submit a request to the State Board of Finance, including an Administrative Resolution, authorizing the sale and a provision making the sale subject to approval by the State Board of Finance.

The County purchased the property by the County in July 12, 2000 from Michael and Maria Doughty for \$72,386.20 or \$3.80 per square foot, for the Paseo del Norte East road construction. Bernalillo County Public Works Division has determined that this excess land is no longer required for any other public project and its sale to generate funding for other County/Federal projects is in the best public interest. There are no adverse impacts to any public agency or the well being of the public. This land will be returned to the private sector increasing the tax base and make funds available to the County for other federally funded projects within Bernalillo County. The sale of these properties will result in a net revenue of \$49,114.80 or 67.85%.
